FAQ

BAR SERVICE

All rentals are subject to a food and beverage minimum. The host is responsible for ensuring that the minimum is reached. The host is responsible for paying the difference or buying products to-go if the minimum is not reached. All drinks and food purchases will add a 20% service charge. The service charge includes gratuity and supports our staff working at the event.

Alcohol service may be hosted in one of the following ways:

- HOSTED BAR** – Often referred to as an “open” bar. A hosted bar is covered by a single-payer. It may be hosted the duration of the event or the host can set a dollar limit. All of our wines are available and sold by the glass. The average guest will consume one beverage per hour of your event. Guests pay for their own drinks after a dollar limit is reached if one is set.
- DRINK TICKETS** – Guests are given drink tickets to limit the amount of hosted beverages (ie. 2 per person). With this option, guests have access to our full menu of products. Guests pay for their own drinks after their tickets are used. Schram Vineyards will run a tab for the cost of the drinks ordered with the tickets and the tab is paid for at the end. Drink tickets are not pre-paid to ensure the host is only paying for the beverages ordered.
- BOTTLE SERVICE** – Wine may be pre-selected by the bottle for your event. Bottles may be pre-purchased by the case, but up to two wine varieties may be chosen to make up a case (min. 6 bottles per selection). Case discounts do not apply for on-site consumption and no refunds will be issued for unused bottles. However, pre-paid unused bottles may be taken home after the event.
- CASH BAR** – Each guest is responsible for their own beverage purchases and appropriate taxes and gratuity will be added to guests tabs.
- WINE TASTING** – Incorporating a wine tasting at an event can be an excellent way to introduce guests to our variety of wines. See our Wine Experience page for options.

Wine, beer, and beverage selection may vary and will be subject to availability on the day of your event. We also offer non-alcoholic beverages including craft sodas, NA beer, Hop Water, sparkling and bottled water. We do not sell kegs or pitchers of beer.

Please note: Any special promotions being offered at the winery are intended for walk-in guests and do not apply to private events.

“This was a FANTASTIC experience. The staff was super friendly, wine/beer was great...I will be going back for-sure. It was a great place to celebrate!”
